Financial Statements of

BURNSIDE GORGE COMMUNITY ASSOCIATION

And Independent Auditors' Report thereon

Year ended August 31, 2021

KPMG LLP St. Andrew's Square II 800-730 View Street Victoria BC V8W 3Y7 Canada Telephone (250) 480-3500 Fax (250) 480-3539

INDEPENDENT AUDITORS' REPORT

To the Members of the Burnside Gorge Community Association

Opinion

We have audited the financial statements of Burnside Gorge Community Association (the Entity), which comprise:

- the statement of financial position as at August 31, 2021
- the statement of operations and changes in fund balances for the year then ended
- the statement of cash flows for the year then ended
- and notes to the financial statements, including a summary of significant accounting policies

(Hereinafter referred to as the "financial statements").

In our opinion, the accompanying financial statements, present fairly, in all material respects, the financial position of the Entity as at August 31, 2021, and its results of operations and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the "Auditors' Responsibilities for the Audit of the Financial Statements" section of our auditors' report.

We are independent of the Entity in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada and we have fulfilled our other ethical responsibilities in accordance with these requirements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Entity's ability to continue as a going concern, disclosing as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Entity or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Entity's financial reporting process.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit.

We also:

 Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion.

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Entity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Entity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Communicate with those charged with governance regarding, among other
 matters, the planned scope and timing of the audit and significant audit findings,
 including any significant deficiencies in internal control that we identify during
 our audit.

Report on Other Legal and Regulatory Requirements

As required by the Societies Act (British Columbia), we report that, in our opinion, the accounting policies applied by Burnside Gorge Community Association in preparing and presenting the financial statements in accordance with Canadian accounting standards for not-for-profit organizations have been applied on a basis consistent with that of the preceding year.

Notes to Financial Statements

Year ended August 31, 2021

Burnside Gorge Community Association (the "Association") is incorporated under the Society Act (British Columbia). On November 28, 2016, the new Societies Act (British Columbia) became effective and the Association has transitioned to the new act. The Association's purpose is to lead, promote and support prevention and intervention based initiatives which encourage healthy, inclusive, and socially just living. This is accomplished through:

Engaging and consulting with our communities concerning issues and developments important to our residents and businesses.

Providing a continuum of high quality programs and supports that strengthen the lives of children, youth and families in Greater Victoria.

Establishing, promoting and operating facilities that provide public amenities to benefit the community.

Cultivating community connections and a sense of community pride through celebrations and initiatives.

Advocating in the best interest of our community and ensuring a representative voice for all of those we serve.

Fostering work place practices that support employees and strengthen our efforts to be a model employer.

Supporting the provision of housing for low and moderate income households.

1. Significant accounting policies:

The financial statements are prepared in accordance with Canadian accounting standards for not-for-profit organizations and include the following significant accounting policies:

(a) Fund accounting:

In order to ensure observance of limitations and restrictions placed on the use of the resources available to the Association, such resources are classified for accounting and reporting purposes into funds according to the activities or objectives specified.

Revenue and expenses related to program delivery and administrative activities are reported in the General Fund.

The Capital Fund reports the assets, liabilities, revenue and expenses related to the Association's capital assets.

Notes to Financial Statements (continued)

Year ended August 31, 2021

1. Significant accounting policies (continued):

(b) Revenue recognition:

The Association follows the deferral method of accounting for contributions.

Restricted contributions are recognized as revenue of the appropriate fund in the year in which the related expenses are incurred. Unrestricted contributions are recognized as revenue of the appropriate fund when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.

Deferred capital contributions:

Externally restricted capital contributions are recorded as deferred capital contributions until the amount is invested in capital assets. Contributions for capital assets that will be amortized are transferred to unamortized deferred capital contributions in the period the asset is acquired. Contributions for capital assets that will not be amortized, such as land, are not transferred to unamortized deferred capital contributions or recognized as revenue, but are recorded as a direct increase in fund balance in the period the asset is acquired. Capital donations of depreciable assets are recorded at fair value when a fair value can be reasonably estimated.

(c) Capital assets:

Capital assets are recorded at cost other than donated assets, which are recorded at their estimated fair market value upon receipt.

The following assets are amortized on a straight-line basis over their estimated useful life.

Asset	Rate
Vehicle Computer equipment Furniture and equipment Leasehold improvements	10 years 3 years 5 years remaining lease term

Notes to Financial Statements (continued)

Year ended August 31, 2021

1. Significant accounting policies (continued):

(d) Contributed materials and services:

Donated materials and services are recognized in the financial statements when a fair value can be reasonably established, when the materials and services are used in the normal course of operations and would otherwise have been purchased. A number of people donate time and expertise to the Association across its operations. As no objective basis exists to record and assign fair values to such contributions the value of this time has not been reflected in these financial statements.

(e) Use of estimates:

The preparation of financial statements requires management to make estimates and assumptions which affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the period. The significant area requiring the use of management's estimates and assumptions relates to the estimation of useful lives for the amortization of capital assets. Actual results could differ from estimates.

(f) Financial instruments:

Financial instruments are recorded at fair value on initial recognition. Investments that are quoted in an active market are subsequently measured at fair value and all changes in the fair value are recognized in net income in the period incurred. All other financial instruments are subsequently recorded at cost or amortized cost, unless management has elected to carry the instruments at fair value. The Association has not elected to carry any such financial instruments at fair value.

Transaction costs incurred on the acquisition of financial instruments measured subsequently at fair value are expensed as incurred. All other financial instruments are adjusted by transaction costs incurred on acquisition and financing costs, which are amortized using the straight-line method.

Financial assets are assessed for impairment on an annual basis at the end of the fiscal year if there are indicators of impairment. If there is an indicator of impairment, the Association determines if there is a significant adverse change in the expected amount or timing of future cash flows from the financial asset. If there is a significant adverse change in the expected cash flows, the carrying value of the financial asset is reduced to the highest of the present value of the expected cash flows, the amount that could be realized from selling the financial asset or the amount the Association expects to realize by exercising its right to any collateral. If events and circumstances reverse in a future period, an impairment loss will be reversed to the extent of the improvement, not exceeding the initial carrying value.

Notes to Financial Statements (continued)

Year ended August 31, 2021

2. Short-term investments:

Short-term investments consist of two term deposits and accrued interest. The deposit of \$102,695 matures on October 20, 2021 and bears an annual interest rate of 0.35%. The deposit of \$12,500 matures on June 10, 2022 and bears an annual interest rate of 0.2%.

3. Long-term investments:

Long-term investments consists of one term deposit. The deposit of \$220,000 matures on March 12, 2023 and bears interest at an effective interest rate of 1.5%.

4. Capital assets:

					2021	2020
		Acc	Accumulated		Net book	Net book
	Cost	an	nortization		value	value
Vehicle Computer equipment Furniture and equipment Leasehold improvements	\$ 146,235 114,208 304,125 75,214	\$	78,547 102,786 285,636 72,350	\$	67,688 11,422 18,489 2,864	\$ 75,574 5,525 2,850 4,999
	\$ 639,782	\$	539,319	\$	100,463	\$ 88,948

5. Accounts payable and accrued liabilities:

Included in accounts payable and accrued liabilities are government remittances payable of \$21,762 (2020 - \$17,704) which includes amounts payable for worker's safety insurance and payroll related remittances.

Notes to Financial Statements (continued)

Year ended August 31, 2021

6. Deferred contributions:

(a) Deferred contributions:

Deferred contributions relate to restricted operating funding received in the current year or prior years that are related to future years.

The changes for the year are as follows:

	2021	2020
Balance opening	\$ 731,077 \$	526,069
Received related to future years: Government grants Grants - foundations/organizations	270,103 660,423	322,264 408,813
Amounts recognized as revenue in the year: Government grants Grants - foundations/organizations	(322,264) (408,813)	(240,283) (285,786)
Balance closing	\$ 930,526 \$	731,077

(b) Gaming grants:

Included in deferred contributions are gaming grants received from the provincial government. There are restrictions over the use and maintenance of these funds. Deferred gaming grants included in deferred contributions are as follows:

	2021	2020
Opening deferred gaming grants Amounts received during the year Amounts recognized as revenue	\$ 188,600 - (94,300)	\$ 94,300 188,600 (94,300)
Ending deferred gaming grants	\$ 94,300	\$ 188,600

Deferred gaming funds of \$94,300 (2020 - \$188,600) are held as restricted cash. During the year, the Associaton received capital grants of \$20,225 which are unspent at year-end and included in deferred capital contributions (note 7).

Notes to Financial Statements (continued)

Year ended August 31, 2021

7. Deferred capital contributions:

Deferred capital contributions include unspent and unamortized portions of capital contributions.

The changes for the year are as follows:

	2021	2020
Balance opening	\$ 78,076 \$	47,278
Restricted contributions received Amounts recognized as revenue	47,176 (12,809)	35,475 (4,677)
Balance closing	\$ 112,443 \$	78,076

Unexpended contributions in 2021 total \$20,225 (2020 - \$nil).

8. Transfer to internally restricted:

During the 2013 fiscal year the Board approved the transfer of \$220,000 of unrestricted funds to an internally restricted reserve to be used only in the event of a complete shut down of the Association to cover the costs of shutting down.

During the current year the Board approved the transfer of \$180,000 of unrestricted funds to an internally restricted reserve for the purpose of supporting start-up costs for new child care centers and a thrift store.

9. Commitments:

The Association is required to contribute \$34,427 plus an amount equal to the increase, over the previous 12 months, in the Consumer Price Index, annually to the City of Victoria towards maintenance and upkeep of its rental premises under its operating agreement with the City of Victoria.

The Association's obligation under operating leases for photocopy equipment is as follows:

2022	\$ 2,238
	\$ 2,238

Notes to Financial Statements (continued)

Year ended August 31, 2021

10. Financial instruments:

It is management's opinion that the Association is not exposed to significant interest or currency risks arising from financial instruments.

Credit risk is the risk that a third party to a financial instrument might fail to meet its obligations under the terms of the financial instrument. For cash, short-term investments and accounts receivable the Association's credit risk is limited to the carrying value on the balance sheet.

The Association manages the risk associated with the concentration of credit risk through its policy of dealing with high credit quality financial institutions.

There has been no change in the risk exposures from 2020.

11. Impact of the COVID-19 Pandemic:

In March of 2020, the COVID 19 outbreak was declared a pandemic by the World Health Organization and has had a significant financial, market and social dislocating impact. During the current year, the Association has experienced the following financial impacts and change in activities in relation to the COVID 19 pandemic.

- Major funding sources have continued, with additional funding received to manage food security issues during the pandemic.
- Temporary changes in program arrangements for all programs. Recreation and family programs were changed to registration only with limited numbers, in turn reducing the revenues received in this area.
- All program staff are working remotely as well as continuing onsite. Support services were provided outside or in large spaces when possible.
- The Association began hosting outdoor community events in the summer of 2021.

Management will continue to monitor the on-going financial impact on its cash and budget forecasts, and adjust its operations as required to ensure its ability to fulfill its obligations and continue operations.

The situation is dynamic and the ultimate duration and magnitude of the impact on the economy is not known and an estimate of the financial effect on the Association is not practicable at this time.
