Graffiti Fighters

The Graffiti Fighters recently gathered to celebrate their 1st anniversary and reflect upon the many accomplishments this small group of volunteers have made in the Burnside Gorge community.

Since our inception we have spent over 250 volunteer hours painting over hundreds of tags on public property throughout Burnside Gorge. This accomplishment wouldn't have been pos-

In the Spring of 2022 the Graffiti Fighters joined forces with the Royal Canadian Legion's Pro Patria branch 292 and began the process of having a mural placed on the Legion's brick wall facing Gorge road at Jutland. The wall had been repeatedly tagged and together we agreed that a mural would be a welcome solution to the problem and at the same time improve the optics to this rather dull and barren feeling corner. Together we applied for and received grants from the City of Victoria, and the Burnside Gorge Community Association through the Strengthening Communities grant from the Province of B.C.After many hours of research and planning an artist was commissioned and the mural was completed by artist Kelly Everill in late October of last year.

In late Spring of 2022 the Graffiti Fighters drafted a letter to the City of Victoria Parks Department requesting that the overgrown weeds and brush be removed from the slope leading down to the Galloping Goose trail from the Gorge Rd bridge. The objective was to improve the sightlines to the trail below and to the mural underneath the bridge in order to improve safety and prevent tagging.

The Parks Department responded and removed much of the overgrown brush and expanded the lawn alongside the connector path. Now that the sightlines have been opened the feeling of increased safety in what was once a somewhat isolated area has greatly improved, you can see the mural under the bridge and there's even a view to the water below!

The Graffiti Fighters are looking forward to another successful year in 2023. As the weather improves we'll be out in force removing tags and graffiti from public property and sprucing up the neighbourhood. Watch for us this Spring as we add artwork to the Legion fence, work toward having the Legion mural lit at night and perhaps even add another mural or two to the neighbourhood.

If you'd like to volunteer your time or donate your resources to the Graffiti Fighters group please email us at graffitifighters@burnsidegorge.ca

Together we endeavor to keep Burnside Gorge-ous

Keep Waste in its Place, Avoid Illegal Dumping

Submitted by CRD Environmental Services

Illegal dumping and abandoned wasted are the result of improper disposal of unwanted items. This ends up being unsightly, encourages illegal dumping and sends a message that illegal activity is permissible in a neighborhood.

We've all seen materials left in boulevards with the hopes of having someone show up and take it. However, these materials are often damaged and end up being unusable. Think of that wet sofa you've seen left at the curb; it is unlikely to be picked up for reuse. Unfortunately, removal and disposal of abandoned waste often falls on our municipalities at the taxpayer's expense — So, if you're doing some spring cleaning or preparing to move, don't abandon the items you no longer want. You can follow these five recommendations to plan for proper disposal!

- 1. Does your item really need to be replaced? Reducing our consumption is the first step to reducing the amount of waste we create. You can make a huge difference by taking care of your items and prolonging their usable life.
- 2. Give your items a refresh! Updating the décor in your home? Give your outdated furniture a new look by repainting or re-staining old wooden furniture or upholstering your couch with a more modern fabric. This will make all the difference!
- 3. Find your usable items a new home. With technology we now have a broader reach from the comfort of our home. Advertise your materials for free on multiple online platforms and others in need of what you no longer want can do all the work to come and collect. Donate to local charities depending on the items free pick up may be provided.
- 4. Can you recycle it? Most of the items we see abandoned can be recycled for free under various stewardship programs. A great example are electronics like Tv's, vacuums, and small kitchen appliances- these can all be recycled. Find your closest depot on

https://www.crd.bc.ca/service/waste-recycling/recycle/myrecyclopedia/products/Clothing-Textiles--reusable-condition-recyclopedia/products/Clothing-Textiles--reusable-condition-recyclopedia/products/Clothing-Textiles--reusable-condition-recyclopedia/products/Clothing-Textiles--reusable-condition-recyclopedia/products/Clothing-Textiles--reusable-condition-recyclopedia/products/Clothing-Textiles--reusable-condition-recyclopedia/products/Clothing-Textiles--reusable-condition-recyclopedia/products/Clothing-Textiles--reusable-condition-recyclopedia/products/Clothing-Textiles--reusable-condition-recyclopedia/products/Clothing-Textiles--reusable-condition-recyclopedia/products/Clothing-Textiles--reusable-condition-recyclopedia/products/Clothing-Textiles--reusable-condition-recyclopedia/products/Clothing-Textiles--reusable-condition-recyclopedia/products/Clothing-Textiles--recyclopedia/produc

5. It is time to say goodbye! Anything that cannot be reused or recycled should be properly disposed of at garbage facility in the capital region. You can make it easier by arranging a community disposal day with your neighbors and coordinate a shared visit and transportation to bring all the items at once.

Doing the right thing may not be as costly as you think! You can also help your neighborhood by reporting abandoned waste or witnessed illegal dumping to your local municipality. For more information, visit

www.crd.bc.ca/dumping

The centre will be closed on Friday,

April 7 and April 9 for Easter

Burnside Gorge - Land Use Updates

The BGCA's Land Use Committee (LUC) plays a critical role in all applications for rezoning in the Burnside Gorge Neighbourhood.

BURNSIDE GORGE LAND USE

Everyone welcome! The BG Land Use Committee meets once a month to discuss land use and related topics, or as needed when there are development proposals in the neighbourhood. Upcoming meetings are listed below. Please email lucchair@burnsidegorge.ca if you are interested in attending these meetings and/or joining the CALUC.

496 Cecelia Road Update

Construction is now in the framing stage for this project. This unique partnership with the City of Victoria and School District No. 61 proposes 88 units of affordable rental housing. The ground floor will also house a child care centre with 60 new child care spaces.

DEVELOPMENTS TO WATCH

All development applications within the City can be tracked here:

https://www.victoria.ca/EN/main/residents/planning-development/development-tracker.html

You can filter by neighbourhood to see what is happening in Burnside Gorge. The following new developments are posted on the City's Development Tracker, but keep an eye on the link about these following proposals or new proposals:

1824-2010 Store Street & 530 Chatham Street

Additional information about this development has now been posted on the Development Tracker. A community meeting was held on October 12th to hear a preliminary proposal by Reliance Properties for a rezoning of the Capital Iron property. This is a large development including the relocation of the Greater Victoria Art Gallery to this site.

Rock Bay District

The City of Victoria has selected a working group for workshops to develop visions for the Burnside Gorge area between Chatham Street and Bay Street. This area is being planned as an Arts and Innovation District as outlined in the Victoria 3.0 Plan.

https://www.victoria.ca/EN/main/business/economic-development.html

129-135 Gorge Road East

A community meeting was held for a presentation on this proposal for a rental and condominium development. A majority of the community feedback was in opposition to this proposal. The applicant has stated they will be reconnecting with the neighbourhood. After review and presentation to Council it will go to a public hearing.

2619 Douglas Street

A community meeting was held for a presentation on this proposal for a 12 storey rental project behind the old Victoria Press Building. The objections focused on the lack of parking for this project.
